Back to School

The arrival of Labor Day signaled the last moments of summer leisure and the unavoidable beginning of a new school year. Anticipation was mixed with regret as students tried to extend summer job paychecks just a little further to finance shoes, sweaters and jackets to brighten up their wardrobes.

Homecoming
1976*

Oct. 11-15

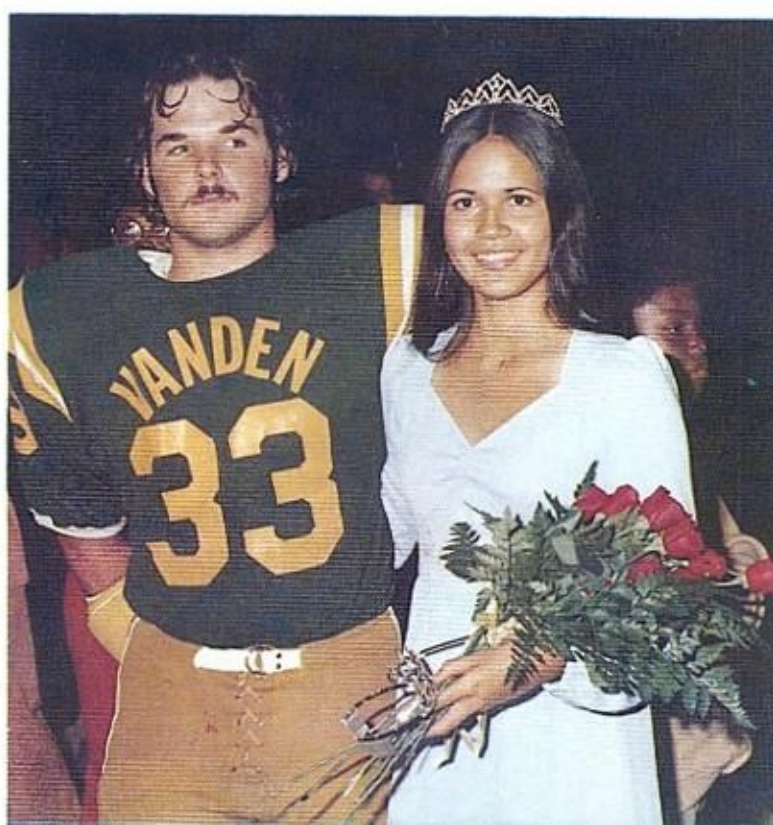

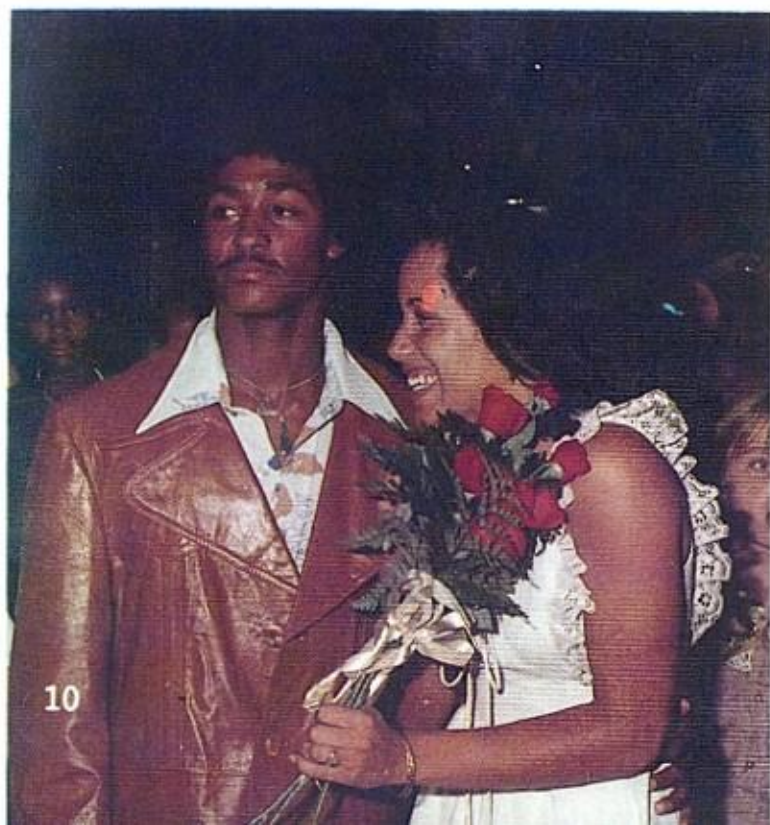

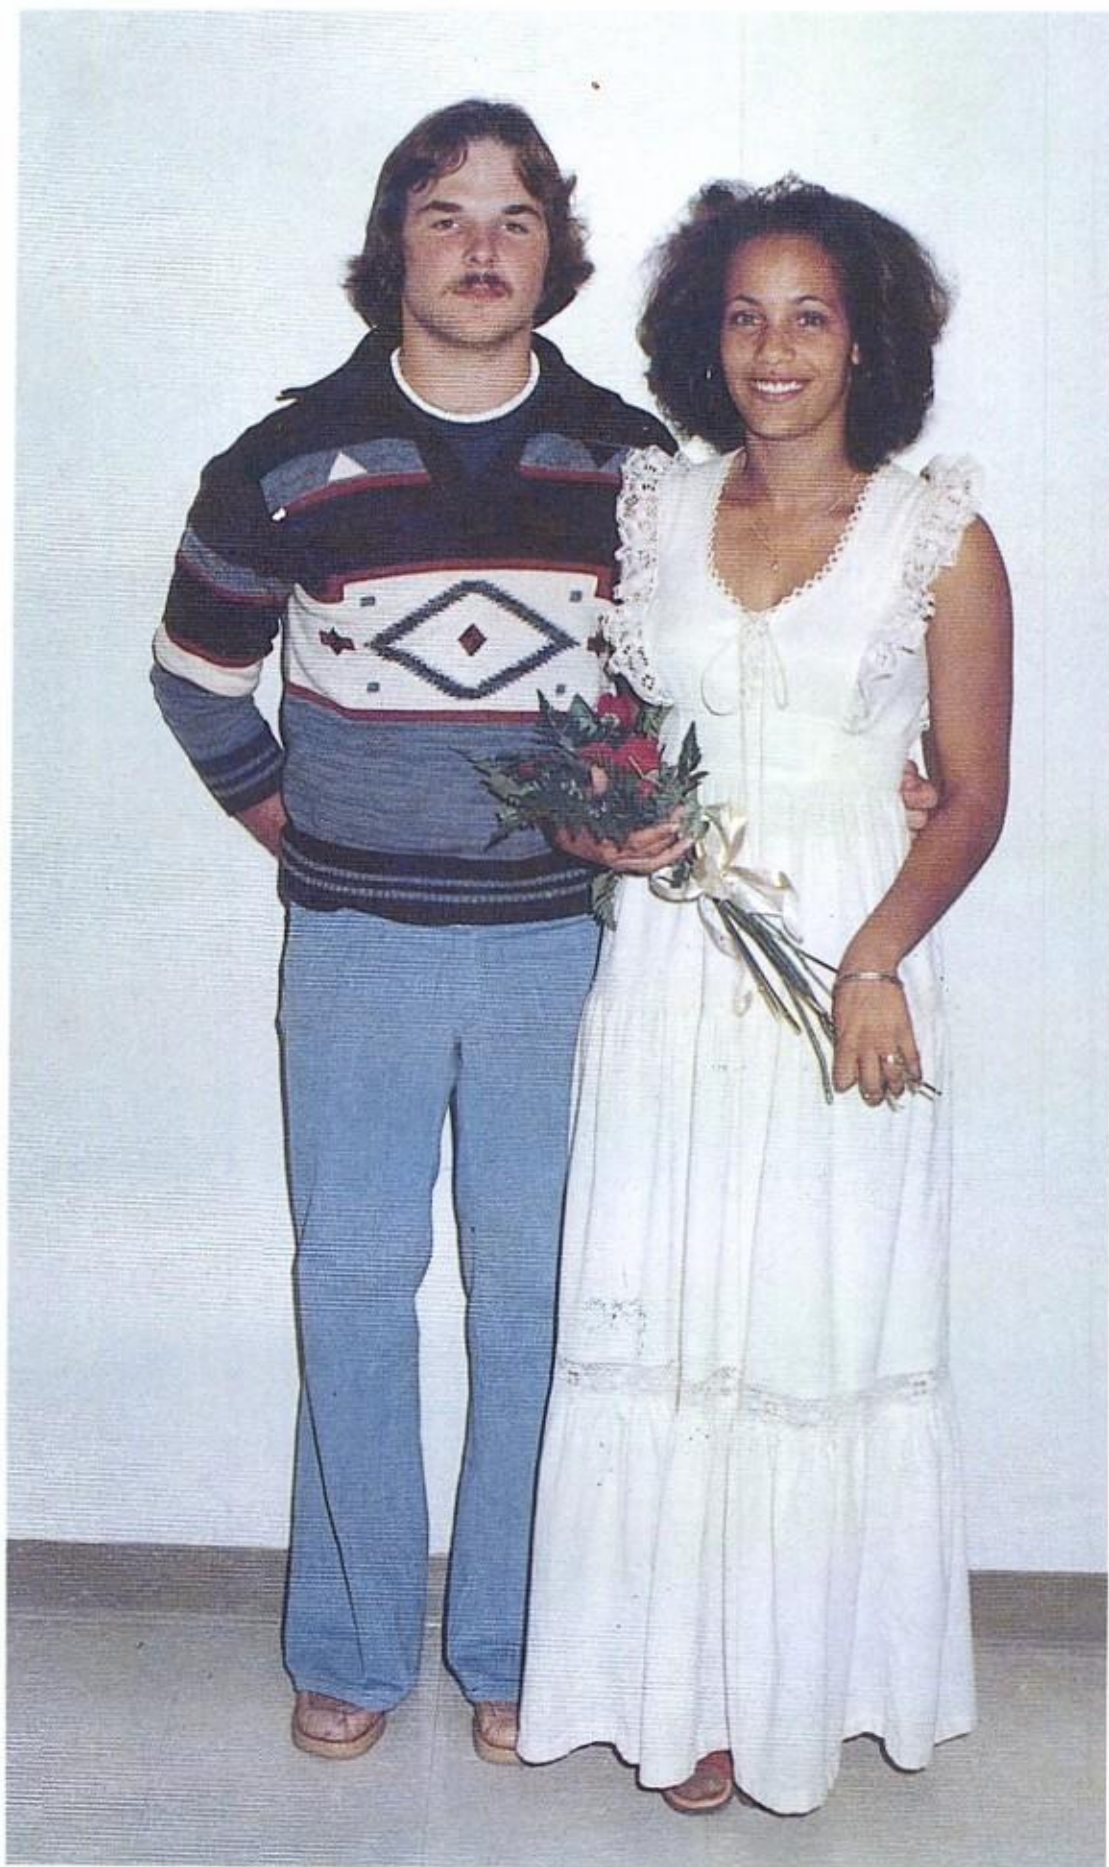

The Vanden 1976 Homecoming was considered by all to have been a great success. During the week many interesting and exciting activities took place. Blue Jeans day started off the week, followed by Friendship day, Cowboy and Indians day, Slave day, and the traditional Green and Gold day. These activities led up to the Varsity and Junior Varsity Friday night games against Justin, with J.V. dominating the scoreboard 42-0. Varsity then went on to complete the games with a 62-15 victory. The finale of the evening was the dance in the new gym. Thanks to all who made the '76 Homecoming so memorable.

Homecoming King and Queen

The highlight of half-time - after the departure of the ambulance with the injured Justin player - was the announcement of class attendants and the crowning of the queen. The court was driven around the stadium, along with the prizewinning floats sponsored by the Booster Club and the Sophomore Class.

Top left: Hurry up Jen! My feet are killing me! Top right: Get going!
We'll never get to class this way!
Bottom right: Now does it look like I'm smiling?

Thank God the wind died down!

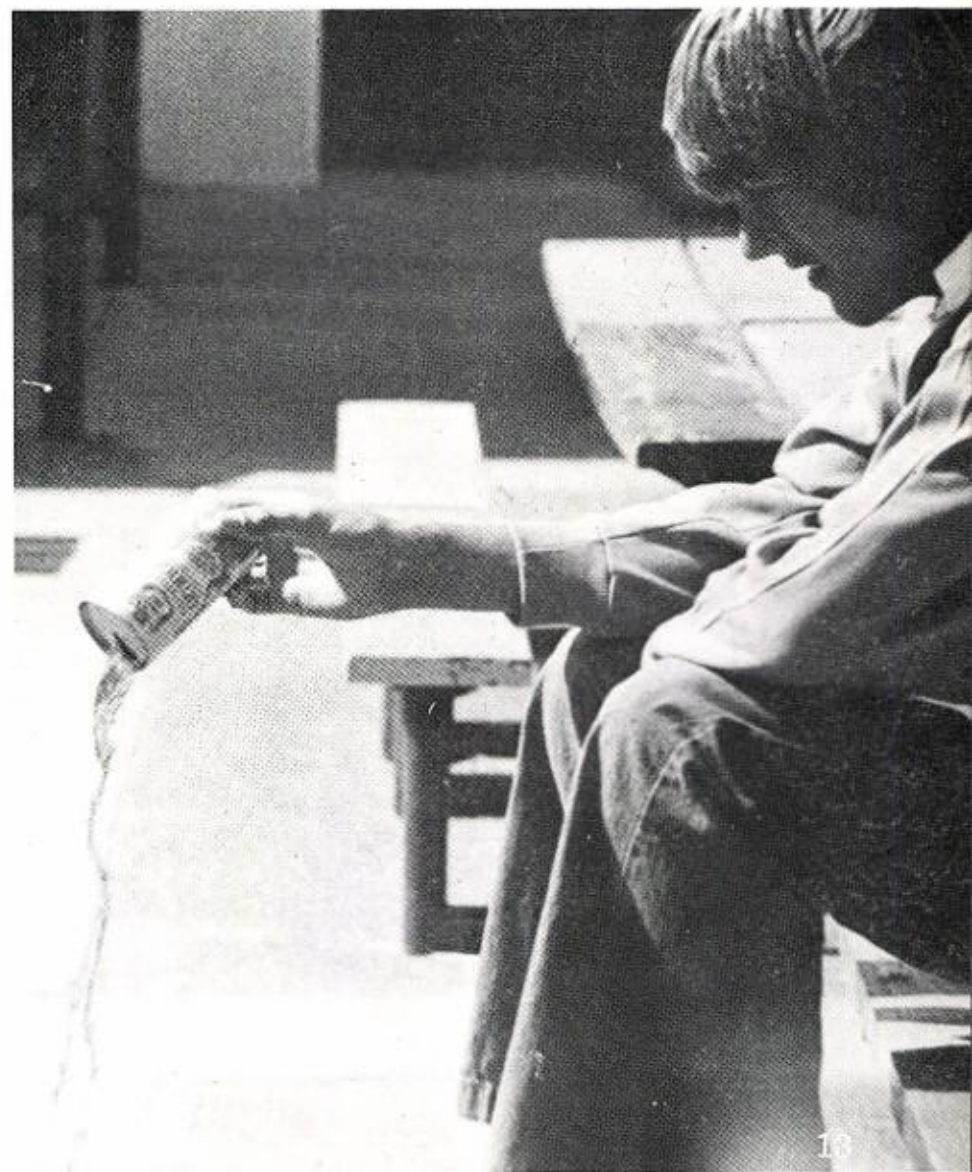

Top right: How would you like to have your face painted green and gold for that?
Bottom right: I've seen the light! Starting tomorrow, I will drink only the Un-Cola!!

Being a freshmen is bad enough . . .

At Its Best!!

Oh, my music makes me dance
And gives you spirit
To take a chance,
And I wrote some Rock'n'Roll
So you can move.
Music fills your heart,
Well, that's a real
fine place to start.
It's from me, it's for you,
It's from you, it's for me,
It's a worldwide symphony.

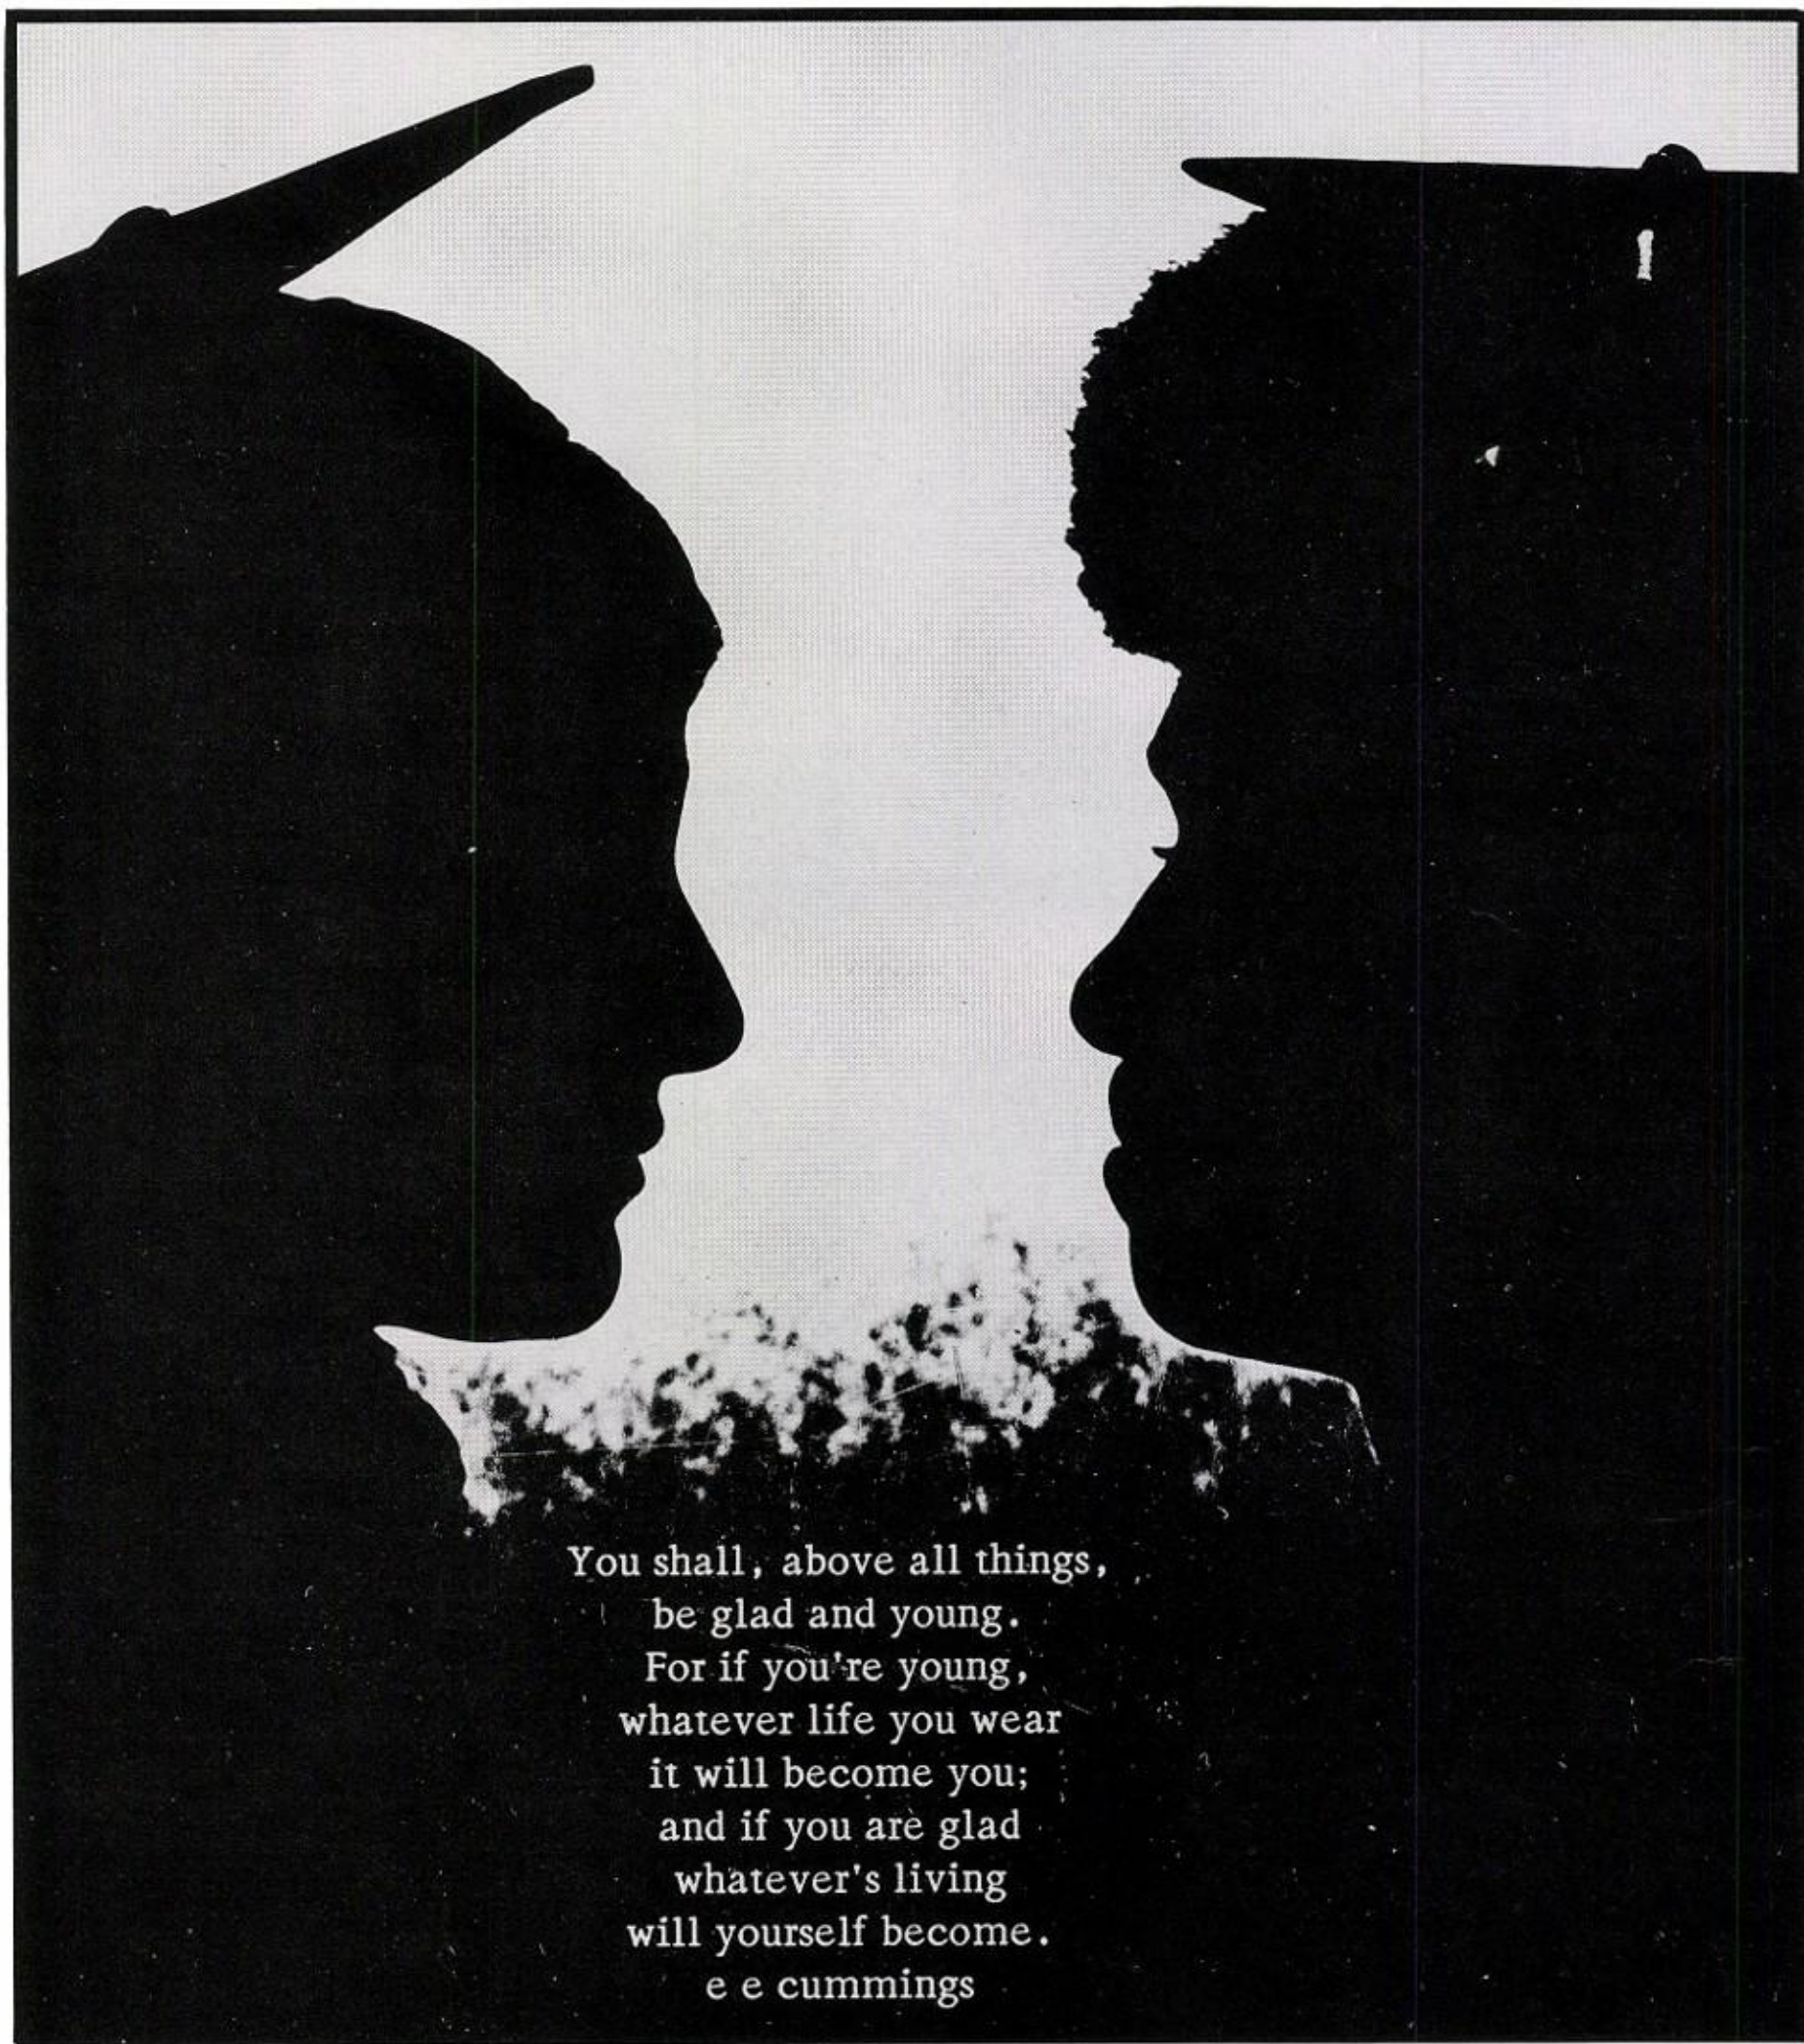

I write the songs
That make the whole world sing,
I write the songs of love
And special things,
I write the songs
That make the young girls cry,
I write the songs,
I write the songs.

- Bruce Johnston

We, the class of '77, will always have
the memories that Vanden has brought
us. As we share our most valued
moments on graduation day, hoping
our future will bring happiness and
pleasure. On this day, and every other
day, we will always remember you
Vanden, not only because of the fun
and joy that you brought us, but for
teaching us the things that we need to
know, and understand.

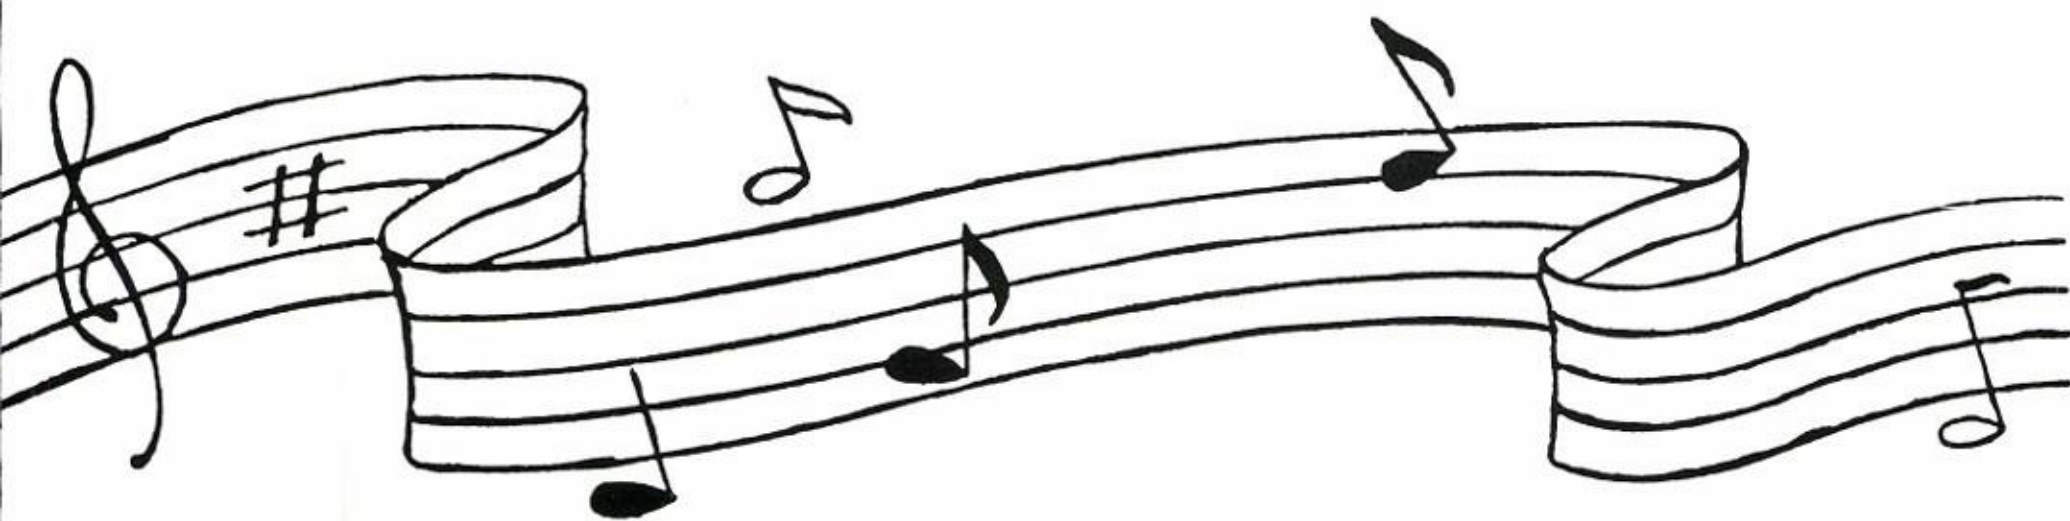

Thank You, Class of '77

Congratulations

You shall, above all things,
be glad and young.
For if you're young,
whatever life you wear
it will become you;
and if you are glad
whatever's living
will yourself become.

Well, Congratulations! You finally made it through the first half of your high school years. Now is the time to begin thinking college, vocational school, or just starting to prepair yourself for the world. Time to think about next years classes, teachers, and friends (not to mention summer vacation!). You've reached the age where you really begin putting yourself together finding out who you are.

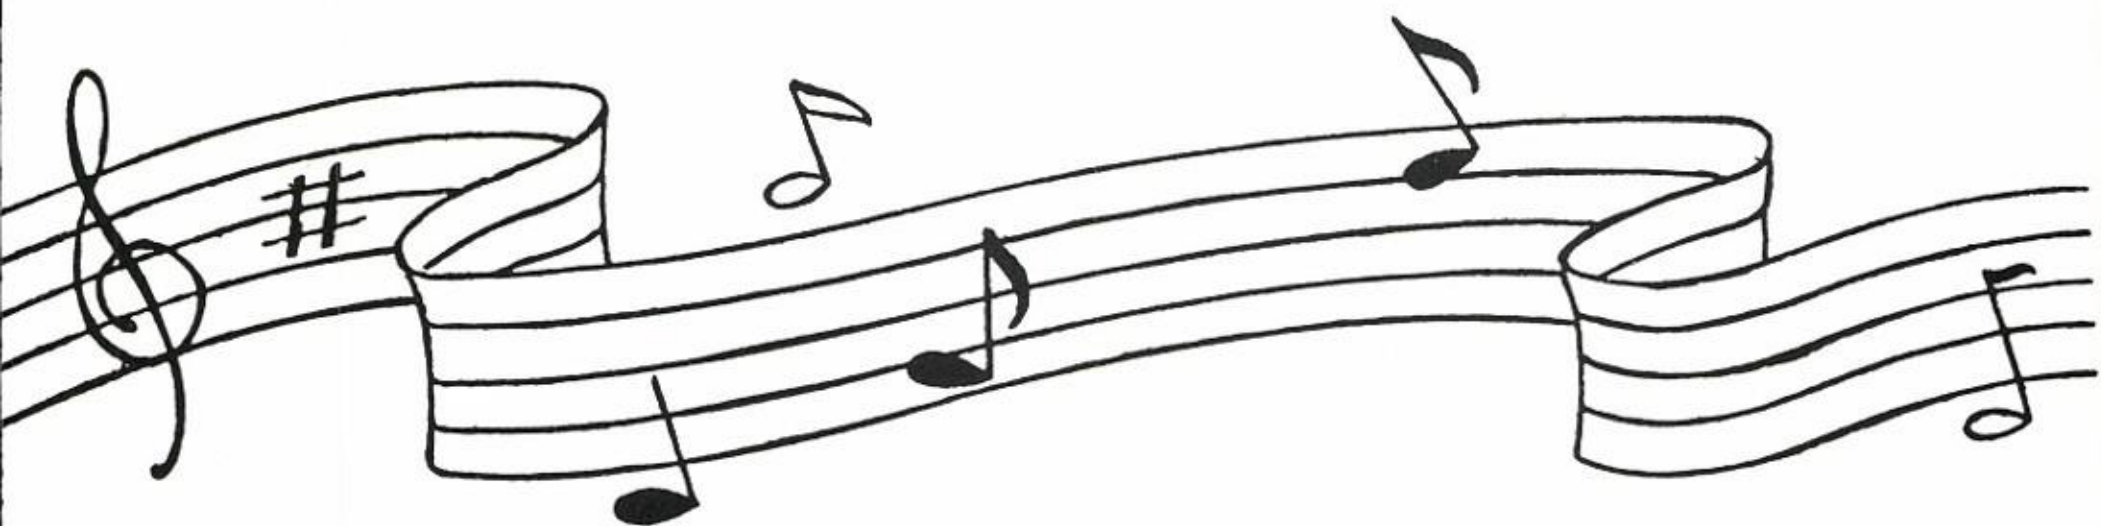

Its been a great year for almost everyone, our wonderful advancement in our sports ability, and how everything ended perfect, or close to it. You will always remember these two years, and hopefully you will find the next two to be even better. Before you know it you'll be out of school, starting all over again, so make the most of it now.

Good luck in the future and we'll see most of you again for our junior year!

Teahouse of the August Moon

This year's fall play turned out to be a great success. The cast worked hard for a month with practices and rehearsals and, as it turned out, it was well worth their efforts.

The play was based on ethnocentrism, which means judging other cultures by the values of our own cultures.

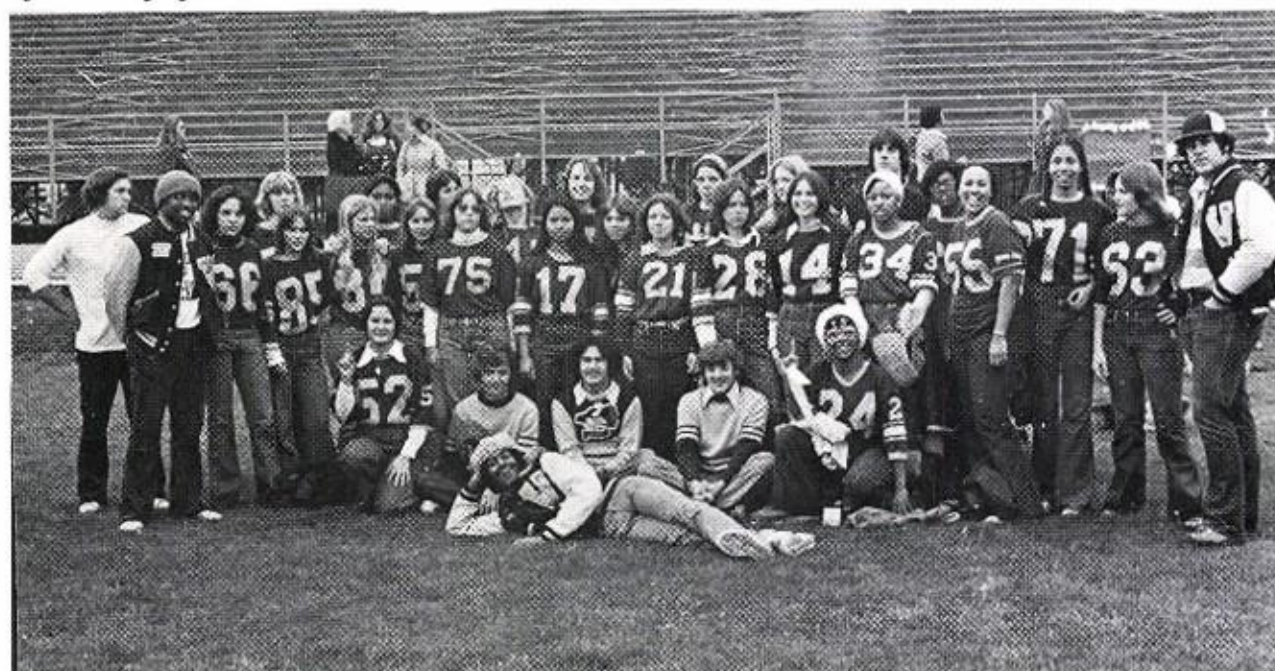

The play showed for two nights, on November 18 and 19 at Vanden's little theater.

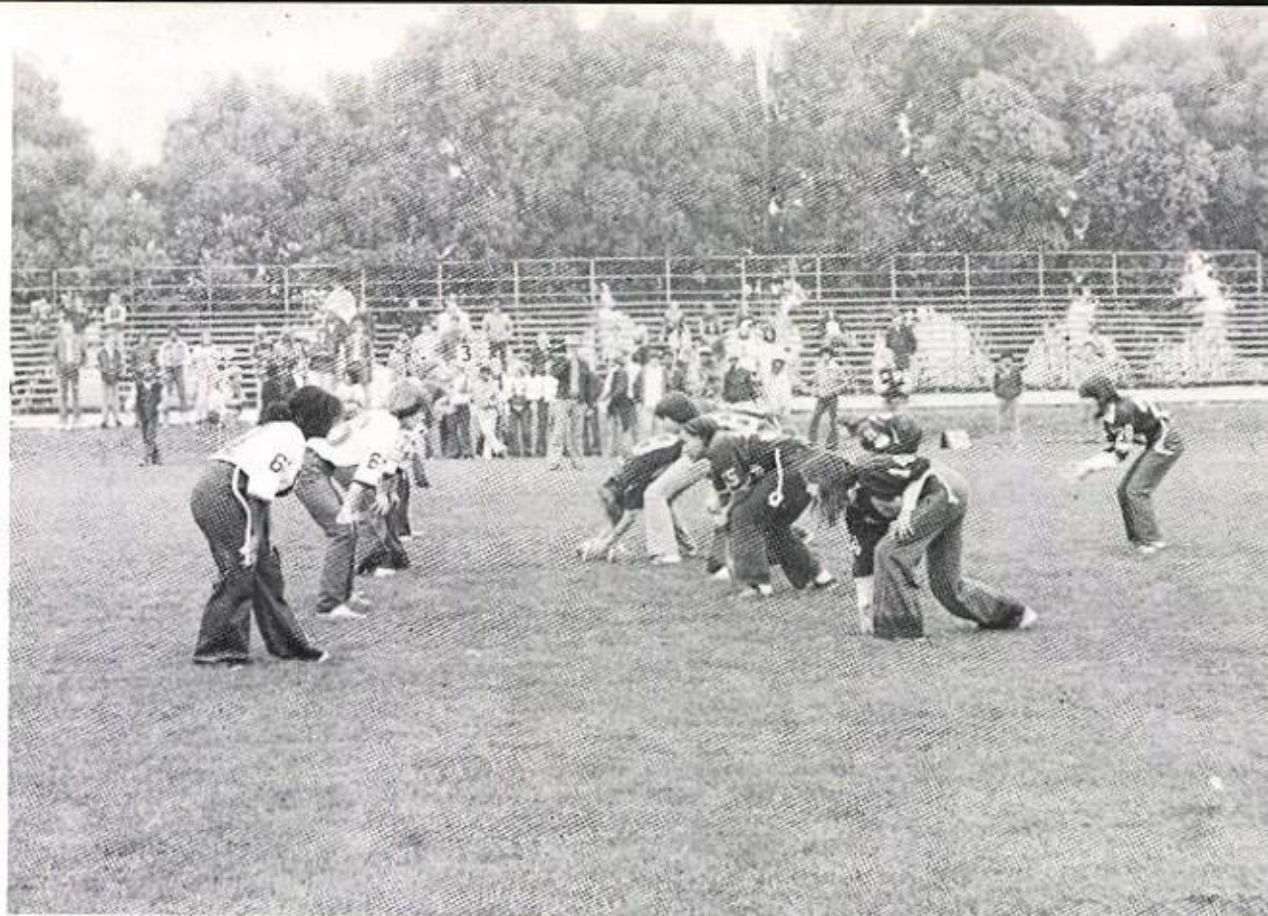

Powderpuff '76

Juniors Tie Seniors, 0-0

This year's traditional Powderpuff game between the Junior class of '78 and the Senior class of '77 was held on Wednesday, November 24, at the Gammon football field.

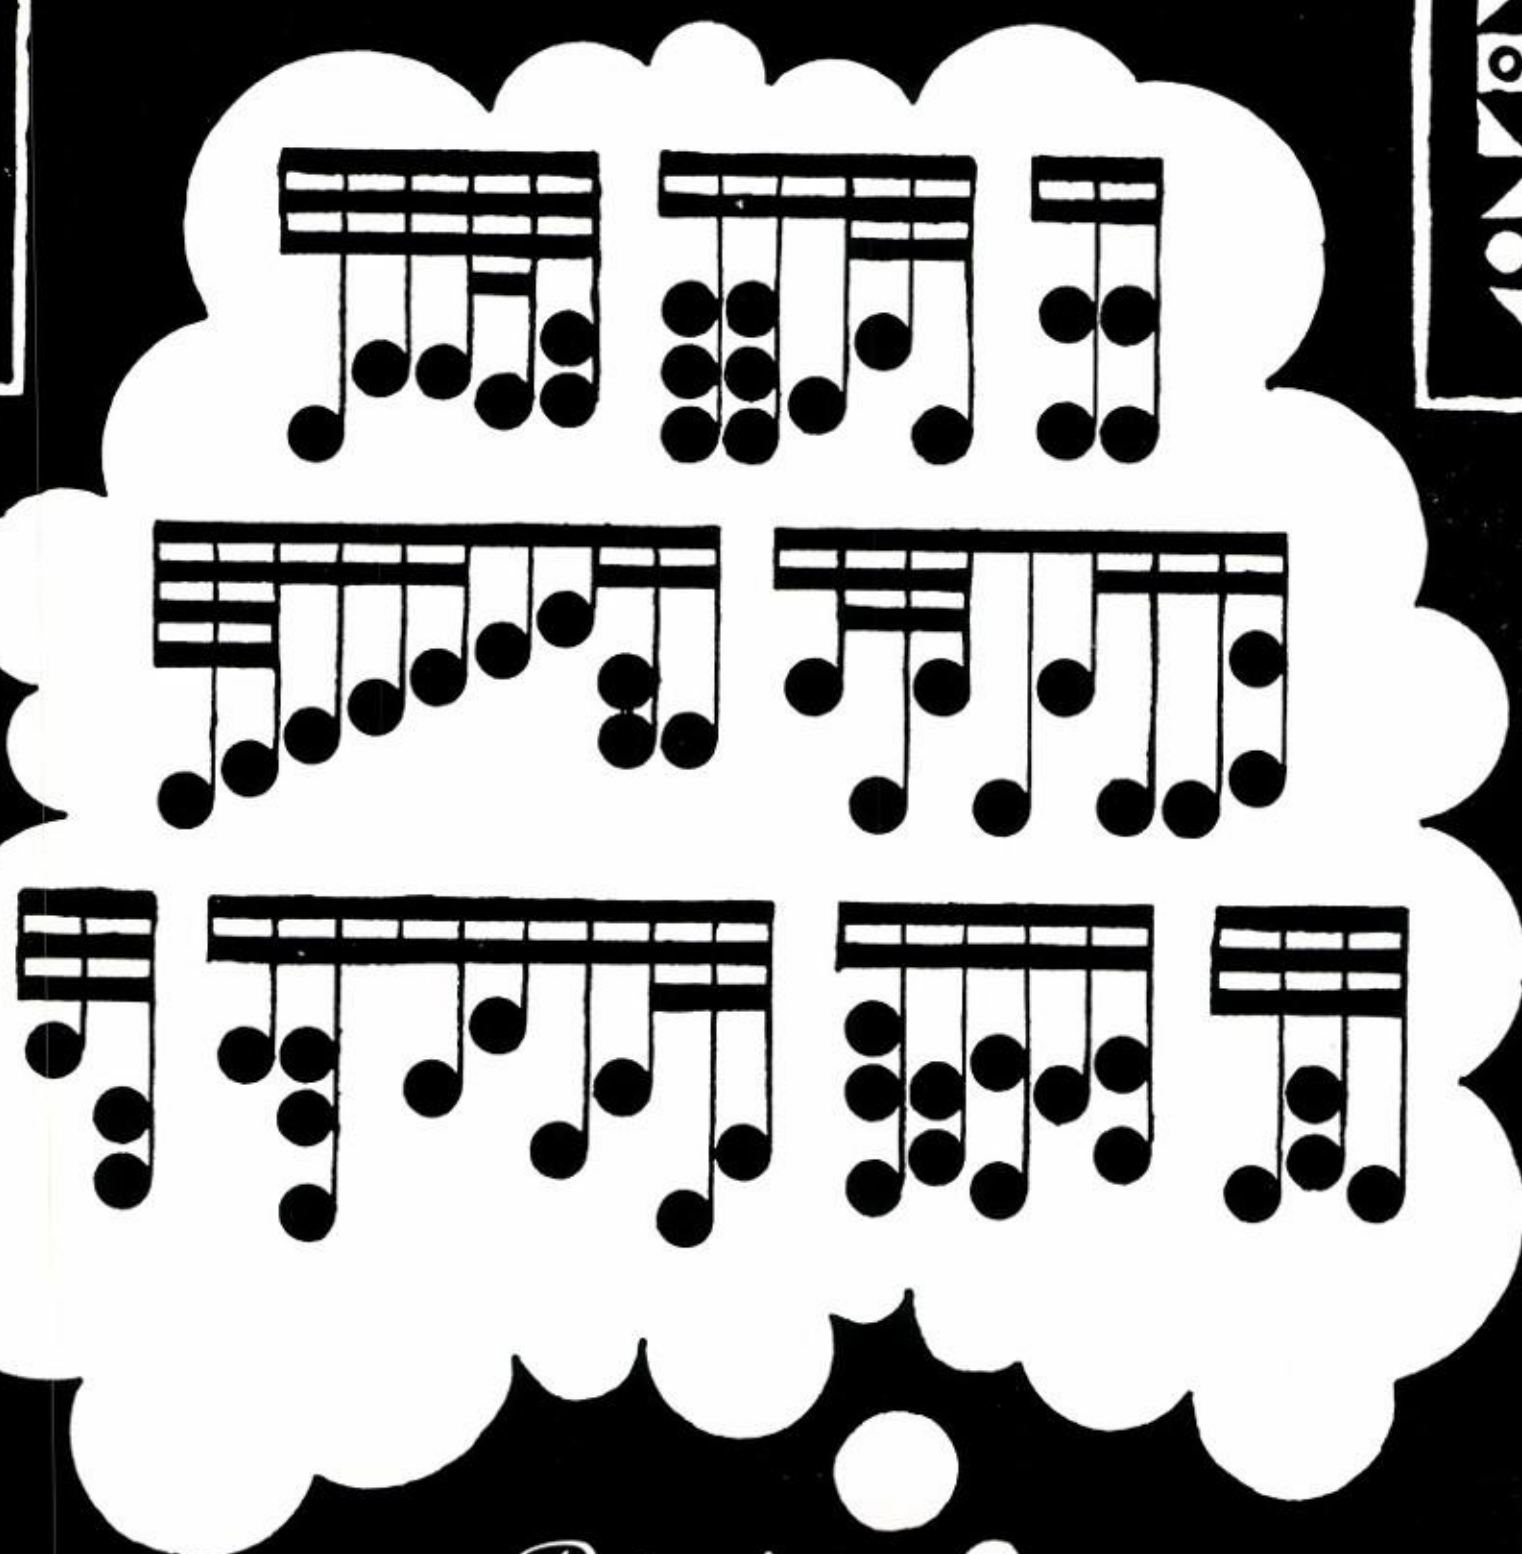

Two weeks of hard practice by both teams resulted in four quarters of exciting competition. With both teams playing to the best of their ability, the game ended with the scoreboard reading 0-0.

This is the time when we can all look back and remember the good times we always had, remember the past but always look forward to the future. The years are going by fast, and each time we loose many students, but also gain many more. Now there isn't much time for hellos or good-byes, but remember never to quit, keep trying until you reach your goals for the present and the future. Vanden has brought us much happiness, so when you walk away, take one more look, and be proud that you're a VIKING . . .

Kim,

I'm really glad that we became friends, it's too bad it had to take a year before we will get to know each other. Just remember all the fun we had this year parten and all, up at the lake. I hope you'll never forget me or the times we've had together. They've been really alot of fun. I hope next year we will continue on being good friends and in all the years to come no matter where each one of us end up. I truly hope all your dreams and ambition come true for you. And that you're very successful in your dental career. Take the best for care with yourself, enjoy life as it comes, stay cool and always fly high. See ya around kid!
